Dear Members,

On December 27, 2022, the board of directors held a special meeting to discuss raising membership dues beginning for the 2023 fiscal year. After much deliberation, the board made a unanimous decision to increase the single membership from \$425 to \$475, the family membership from \$500 to \$550 and the student membership from \$125 to \$150. This is the first dues raise since 2004. The trail fee with a member's own cart remains at \$2 and members' greens fees remain at \$1. As expenses continue to increase, it was clear we needed to increase the dues to continue to provide the atmosphere and experience all our members enjoy.

Our new point of sale system gives members the opportunity to now pay with credit card. There is a 4% credit card fee not included in the prices above.

Please take the time to fill out the information on the membership form. It helps the membership committee and staff keep up to date addresses, email, etc.

Thank you for supporting us last year and we hope you continue to support North County Country Club. If you have any questions, please feel free to reach out to a board member.

Sincerely,

Membership Committee and Board of Directors
